Intro to Hackathons: HACK **N** **Y**

All about hackathons: what they are, what they're like, and why they're a ton of fun.

HackNY team formation will be happen at this event.

Wednesday, Sep 25th
8-10pm, Mathematics 312

Code with CORE and ADI

Want to create your own interactive webpage? You'll want to learn Javascript and jQuery, which the ace TA Don Yu is here to teach!

Cookies and Code afterwards
Lerner 569, Wed 10p-12
