DATA STRUCTURES FOR INTERVIEWS

TUES, NOV 19, 8PM–10PM
CS LOUNGE, MUDD

Want a sweet job, but are worried about technical interviews? Haven't taken Data Structures or need a refresher? This workshop is perfect for you. It's a crash course in everything you need to know about data struc-tures to nail your technical interview. We'll do mock interviews at Cookies and Code, too, if you want to test your mettle.

RSVP at http://on.fb.me/1fNFlGm!

COOKIES AND CODE

WED, NOV 13, 10PM–12AM, LERNER 569

DEMO DAYS

POWERED BY
tech@nyu

SAT, NOV 23, 3PM-5PM

DOORS OPEN AT 2:30

SPOTIFY HQ

45 W. 18TH STREET
7TH FLOOR, NYC

DemoDays is a monthly event where New York–area college students can demo the tech projects that they have been working on in their free time. tech@NYU has teamed up wiwth Parsons Code Club, Cre-ate@Cooper and ADI to serve up some mouth–watering demos. Join us at Spotify's sick new office to watch some really cool student demos, meet interesting people, and eat some great food.

Want to show off your demo? All levels of completeness are wel-come. Just apply at http://bit.ly/1izrLGd!

RED BALLOON SECURITY TECH TALK

MON, NOV 25, 8PM–9PM
HAMILTON 702

RBS is a NYC–based security company based on research done in Co-lumbia's very own Intrusion Detection Systems lab. Come hear them talk about embedded system security and why you shouldn't trust a printer.
